

L.T.S. & CANSKATE Rules & Regulations

The following is a list of rules and regulations that skaters must follow when attending skating sessions. The Airdrie Skating Club would like to stress that if all skaters follow the rules, skating will be a fun and safe place.

1. The Executive and coaches have authority over all skaters attending sessions on or off the ice, and are expected to enforce the rules and maintain order in the arena.
2. Due to liability, security, staffing and hygiene issues, Parents are required to remain in the arena at all times. Coaches are not able to leave the ice and for the security of the child they will not be allowed to leave the ice unattended.
3. Skaters must use assigned dressing rooms, not the lobby or bleachers.
4. Proper skating attire is to be worn. Helmets are mandatory.
5. Skaters must respect themselves, each other, the coaches, executive members and parents.
6. Disruptive, disorderly behavior will not be tolerated. Please treat others, as you would like to be treated.

All skaters are expected to follow the above rules or any other rules that may come into effect during the skating season. **Failure to abide by these rules could result in a non-refundable suspension from the Airdrie Skating Club.**

Discipline Policy

1. Any skater receiving 3 warnings on 1 session will be removed from the ice for the rest of the session.
2. If a skater has been removed from the ice, the coaches will then speak to the parent regarding the child's behaviour and a follow up letter will be sent to the parents from the Executive.
3. If a skater has been asked to leave 2 sessions, the Executive will take further action to suspend/expel the child with no reimbursement of registration.
4. Any skater causing damage to the ice arena or anyone else's property will be asked to appear before the board for disciplinary measures. The Airdrie Skating Club will require the skater to pay 100% of the repair work necessary to restore the facility back to its original state.
5. If a parent is found to have left the arena during a child's skating session, this may result in the family's suspension/expulsion from the Airdrie Skating Club. This will be at the discretion of the Executive.

Complaints

All complaints must be made to the Executive in writing and will be reviewed at the next regularly scheduled board meeting.

A response will be sent to the complainant within 7 days after the review.
